

Johnson-Rogers Post 1492 of the American Legion was incorporated in 1948 as a patriotic veterans organization with 44 charter members. Over the years, our membership has grown to approximately 80 members, making our Post one of the larger Posts in Madison County.

The original Post was located in Leonardsville on Route 8. The present Post at 10789 Miner Road in Brookfield was built in the 1980s to provide more space for Post activities.

The picture above shows several of our members who provided military honors for a deceased comrade.
